

Wyoming Crop Improvement Association
Southeast District Meeting Tentative Agenda
Thursday, December 8, 2022 8:00 a.m. to 12:00 p.m.
Pine Bluffs Distilling, 115 Bourbon St, Pine Bluffs, WY

1. Welcome
2. Introduce Melanie Bennett
3. Approval of 2021 Minutes
4. 2022 acreage and field inspection report
5. General standards topics
 - a. Consider putting a statement in the WSCS standards that, in the event that there is a request to certify a crop that we don't have published standards for, AOSCA standards will be used.
 - b. Fully electronic applications for certification, including tag images
 - c. Dale Heggem concern that yellow starthistle, Swainson Pea, St. John's wort, and common tansy are no longer on the Wyoming noxious weed seed list.
 - d. Palmer amaranth
6. Small grains
 - a. Draft of new bulk sales certificate
7. Grass and native species
 - a. Herbicide tolerance study update – Brian Mealor
 - b. Jim Heitholt's offer to conduct grass seed production research
 - c. BPMC's request for funding support for a staff support position
 - d. GX of GX in standards
 - e. Contracted native grass seed
 1. Put contractor on native seed applications so they get inspection reports
 2. List contracted acres in the Seed Directory, or is it proprietary information?
 - f. Timothy variety development opportunity
 - g. PMC transition to out-source Foundation seed production – report
8. Beans
 - a. 2022 Cooperative Dry Bean Nursery report
 - b. WY Bean Commission activity report
9. Other
 - a. WSCS website
 - b. Land use plan – Kelly Spiering
 - c. Fertilizer carts as a source of contamination
 - d. What do trace, light, moderate, and severe mean when categorizing weed infestations on inspection reports?

- e. 2023 WCIA Annual Meeting – February 2nd and 3rd.
- 10. WCIA lobbyist report, including activities and donations.
- 11. WDA report, as possible and appropriate
